

# MANSI GUPTA

## Full-Stack Developer & Data Analyst

Enthusiastic and highly motivated Software Engineer with a strong foundation in programming, problem-solving, and software development. Passionate about building innovative, efficient, and scalable solutions while continuously expanding technical expertise. Proficient in modern development tools and eager to learn emerging technologies. A quick learner with a collaborative mindset, seeking an opportunity to contribute skills and creativity to a dynamic team.

## Work Experience

### Full Stack Web Development

#### Skill Intelligence World, Indore (July 2025 – September 2025)

- Worked on MERN stack projects involving frontend-backend integration, responsive UI design, and **API development**.
- Collaborated with team members to build and optimize web applications for better performance and user experience.
- Gained hands-on experience in React.js, Node.js, Express, and MongoDB for full-stack development.

## Projects

### 1. TravelBUFF – MERN Stack Travel Guide Platform

Personal Project | sept 2025 – Present

- Developed a full-stack web app connecting tourists with authorized local guides.
- Built using MongoDB, Express.js, React.js, and Node.js.
- Implemented guide booking, availability tracking, and responsive UI.

### 2. School Website – Responsive & Dynamic Web Application

Personal Project | Jan 2025 – Apr 2025

- Developing a full-stack web platform connecting tourists with authorized local guides.
- Using MongoDB, Express.js, React.js, and Node.js for seamless frontend-backend integration.
- Implementing guide booking, availability tracking, and a responsive user interface.

### Minor Projects -

- Shopping Site:** An e-commerce web app with product listing and cart functionality.
- Bookstore:** Online book management system with search and filter options.
- Spotify Clone:** Music streaming interface built with React.js featuring playlist and audio controls.

## Education

### Bachelors of Technology - Computer Science Engineering

Sage University , Indore

Oct 2022 - 2026

- Specialization in Software Engineering.

## Skills

### Technical Skills

- Web Development (React and node.js)
- Data Science with AI
- Problem solving and Algorithm
- Database Management
- Communication Skills
- Generative AI
- Prompt Engineering
- cloud computing

## Tools

### Data Analytics -

Power BI, Tableau, Microsoft Excel.

### Web Development -

Postman, MongoDB Compass, Netlify, Vercel, npm.

## Certification

- Data Science
- Microsoft Azure Essentials
- Prompt Engineering
- Python using AI
- Certified Web Developer

## Additional Information

- Secured a position among the Top 5 students in Grade 12.
- Won multiple medals in school-level sports competitions.
- Active in sports such as Badminton and Kho-Kho.
- Participated in multiple inter-university hackathons.
- Demonstrated strong leadership and event management skills through active participation in college events.

# SKILL INTELLIGENCE WORLD PVT LTD.

## IT CONSULTING & TRAINING

Date : 04-10-2025

### INTERNSHIP COMPLETION CERTIFICATE

This is to certify that **Mansi Gupta**, a student of **Sage University** has successfully completed an internship as **Full Stack Developer** at development department in our organization from **02-07-2025 to 30-09-2025**. During this period, she was involved in Frontend design of the project, and demonstrated HTML, CSS, JAVASCRIPT, REACT JS and NODE JS.
